LIMITED WARRANTY:

Daya Laminates warrants that, under normal use and services, the material and workmanship of its products shall conform to the standards set forth on the applicable technical data sheet for a period of twelve (12) months from the date of sale to the first consumer purchaser. Dealers and distributors are provided with the technical data sheets, which contain specific standards of performance for the product. In the event that a product does not perform as warranted, the purchaser's sole remedy shall be limited to repair or replacement of all or any part of the product, which is defective, at the manufacturer's sole discretion. This warranty is not transferable, and expires upon resale or transfer by the first consumer purchaser. This warranty shall not apply to defects or damage arising from any of the following: Accidents, abuse or misuse, exposure to extreme temperature, improper fabrication or installation & improper maintenance. No other warranties, expressed or implied, are made. Under no circumstances shall the manufacturer be liable for any loss or damage arising from the purchase, use, or inability to use these products, or for any special, indirect, incidental, or consequential damages. No fabricator, installer, dealer, agent or employee of Daya Laminates has the authority to modify the obligation or limitation of this warranty.

LIABILITY:

Whereas the products are manufactured to exacting standards, the nature of the application procedure is beyond control. While we are pleased to offer advice, we cannot guarantee the incising results or accept liability, for all information is provided in good faith but without warranty expressed or implied. The liability of the company is limited to replacement of defective goods only. It is, therefore, necessary that prior to any commercial use you should conduct your own tests to evaluate the efficacy of the product under the particular condition for its intended use.
