## THE DIY SCRATCH TEST.

Go ahead and give this a try. Take a coin and press it firmly against the surface. After that, simply wipe it with a melamine sponge, and what do you notice? Absolutely nothing!

Zero Touch (Anti-Fingerprint Laminates) features an ultra-matt finish that has been specially engineered to be impression-free, non-porous, scratch-resistant, and water-repellent, making it incredibly easy to remove dirt and grease stains.
